**As this show is all about having fun and learning in a
more relaxed atmosphere,**

In the performance classes, **a horse may show more than once with a different handler.** This way if you have 2 children in the same class they don't have to flip a coin to decide who shows who.

Also, as we will have kids who don't own horses borrowing horses from members, this will assure we have enough trained horses to cover everybody who wants to show.

If you have a child who would like to show, but doesn't have a suitable horse, we will have a few loaner horses available. You must reserve a loaner horse prior to the show through the contact information below. We will attempt to accommodate all interested youth handlers.

Contact: Vicki Thompson at vlrnjd@yahoo.com to reserve a loaner horse.
